

## Nursing in Child and Adolescent Mental Health (Hardback)

By Nisha Dogra, Sarah Hogan, Sharon Leighton

OPEN UNIVERSITY PRESS, United Kingdom, 2009. Hardback. Book Condition: New. 240 x 172 mm. Language: English . Brand New Book. This book considers the range of skills and roles that nurses now undertake within specialist CAMHS, it provides a good basic introduction for nurses and clinicians from other disciplines. Discussion around medication management as part of a nurse's extended role is timely and will be of particular use to those considering this option within their practice. The text is easily accessible, utilising case studies to enhance learning. The inclusion of research and audit helps raise the need not only for nurses to be more involved in research but also the need for clinicians to evaluate their practice. I would recommend this text to clinicians new to CAMHS - Sharon Pagett, Senior Lecturer, Mental Health (CAMHS), Department of Nursing, University of Central Lancashire. Nurses have a key role to play within the Child and Adolescent Mental Health Team. Yet there are few textbooks devoted to the specialist and advanced roles which many undertake within this field of practice. This text will fill the void addressing legal and ethical issues while focusing upon clinical practice and the application of theoretical...
