

Essay on Religion (Classic Reprint)

Filesize: 1.23 MB

Reviews

*This publication will never be straightforward to get going on looking at but really fun to see. This can be for all those who statte that there had not been a worth looking at. You wont really feel monotony at at any moment of your own time (that's what catalogs are for about should you request me).

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Essay on Religion After the failure of the Coup of June 3rd 1907, the Workers movement in Russia grew weaker from year to year, in 1907 there were 700,000 registered strikers as against 1,108,000 in 1906 and 2,863,000 in 1905, while in 1908 there were only 176,000 and in 1909 64,000. The proletariat seemed to be crushed for a long time to come. From that time up to the revival of the workers movement in 1912 reaction ruled everywhere. In the elections to the Duma in the same year various parties contested and got elected. There were a few Bolsheviks as well. On the other hand the check given to the revolutionary movement cast disillusion everywhere. Talented writers and serious thinkers revived idealist philosophy. Former Social. Democrats destroying what they had once destroyed preached a return to religion, if not the established Church. Even Maxim Gorky! and Lunacharsky preached a religion without God which was none the less a withdrawal from Materialism. God is all that is human in the supreme power. Let us worship the energies of humanity wrote Lunacharsky. Plekhanov made a bitter attack on them, Lenin followed with his refutation in a Book form - Materialism and Empirio-criticism. Yet the question of the Social Democratic attitude towards this revival of religious thought demanded clarification. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
