Createspace, United States, 2014. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.The author s father came down with polio during the epidemic of 1944. This book describes his story of pain, rehabilitation and return to normality as well as inspirational stories of other polio survivors, some more severely paralyzed than he was. He founded a rehabilitation center in Warm Springs, Georgia. By 1926 he realized that he was never going to walk again but felt he could still run for office. While President he asked his law partner, Basil O Connor, to head up a charity which provided for patient care and research into the disease. All patients needing money for hospital expenses were cared for. It was the most successful charity ever. It eliminated the need for government involvement....
