

Heather Has Two Mommies

By Leslea Newman

Candlewick Press (MA), United States, 2016. Paperback. Book Condition: New. Laura Cornell (illustrator). Reprint. 257 x 249 mm. Language: English . Brand New Book. Candlewick relaunches a modern classic for this generation with an all-new, beautifully illustrated edition. Heathers favorite number is two. She has two arms, two legs, and two pets. And she also has two mommies. When Heather goes to school for the first time, someone asks her about her daddy, but Heather doesn't have a daddy. Then something interesting happens. When Heather and her classmates all draw pictures of their families, not one drawing is the same. It doesn't matter who makes up a family, the teacher says, because the most important thing about a family is that all the people in it love one another. This delightful edition for a new generation of young readers features fresh illustrations by Laura Cornell and an updated story by Lesléa Newman.

Reviews

This is the very best publication i have got go through until now. I am quite late in start reading this one, but better then never. I discovered this pdf from my dad and i encouraged this book to understand.

-- Casimer McGlynn

A top quality ebook and the typeface used was interesting to read through. It is rally intriguing throg reading through period. You wont feel monotony at anytime of the time (that's what catalogues are for relating to when you ask me).

-- Estelle Donnelly
