*A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).

State University of New York Press, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book. After years of thinking he'd never have kids, Lee Gutkind became a father at forty-seven and, following his divorce, soon found himself taking over more and more of the primary care responsibilities for his son, Sam. What began as long, cross-country journeys in a pick-up truck, including one memorable trip up the Alaska-Canadian Highway en route to a writer's conference in Homer, Alaska, have in more recent years ranged farther afield, to Europe, Australia, and Tibet. Whether listening to rock and roll music, entertaining themselves with their secret jokes and code words, fishing for halibut, or fighting over tuna fish sandwiches and how best to butter one's toast, Lee and Sam have learned to respect one another. In the process of their travels and their adventures, Lee has also come to grips with the downside of middle age and the embarrassment of senior moments, while Sam has inevitably begun to assert himself and shape his own life. Interspersed...
